

Translation:

O Rex gloriae,
O King of glory,

Domine virtutum,
Lord of all goodness,

qui triumphator hodie super omnes coelos ascendisti;
who ascended to heaven on this day triumphant over all,

ne derelinquas nos Orphanos,
do not leave us as orphans

sed mitte promissum Patris in nos,
but send us the Father's promise,

spiritum veritatis.
the spirit of truth.

Alleluia.
Alleluia.
